October 2, 2014

Mr. Michael Bostic  
Assistant City Attorney  
City of Dallas  
1500 Marilla Street, Room 7DN  
Dallas, Texas 75201

OR2014-17527

Dear Mr. Bostic:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 538746 (ORR 2014-07-21).

The City of Dallas (the "city") received a request for (1) communications sent during a specified time period related to fire department coverage in the Cypress Waters development and (2) records related to emergency responses in the Cypress Waters area. You state the city will release some of the requested information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 1702.284 of the Occupations Code. Section 1702.284(a) provides:

(a) Information contained in alarm systems records maintained by a governmental body that concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used

---

<sup>1</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

is confidential and may be disclosed only to the [Texas Private Security Board], to the alarm company to which the confidential records relate, or as otherwise required by state law or court order.

Occ. Code § 1702.284(a); *see also id.* § 1702.002(1)(A)(ii) (defining “alarm system” as electronic equipment and devices designed to detect or signal the occurrence of a robbery or other emergency). You assert the marked information in the submitted incident detail report is excepted from disclosure under section 1702.284. However, we note section 1702.284 is not applicable to investigative information. *See* Act of June 19, 1983, 68th Leg., R.S., ch. 496, § 1, 1983 Tex. Gen. Laws 2915. Accordingly, the city may not withhold any of the information at issue in the incident detail report under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. As you raise no other exception to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
