Ms. Regina Edwards
First Assistant City Attorney
City of Carrollton
1945 East Jackson Road
Carrollton, Texas 75006

OR2014-17595

Dear Ms. Edwards:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 543244 (City ID# 3385).

The City of Carrollton (the "city") received a request for information pertaining to himself. You claim the requested information is excepted from disclosure under sections 552.108, 552.130, and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes the arrestee's blood test results. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at3 (1994), 525 at3 (1989). In this instance, the requestor is the person who provided the blood specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information city has marked relates to a pending criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the city may withhold the information it has marked under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license or driver’s license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See Gov’t Code* § 552.130(a)(1)-(2). We note the requestor has a right of access to his own motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(b). Accordingly, with the exception of the requestor’s motor vehicle information, which we have marked for release, the city must withhold the motor vehicle record information it has marked the submitted information under section 552.130 of the Government Code.

Section 552.137 excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body,” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See Gov’t Code* § 552.137(a)-(c). The e-mail address at issue is not a type specifically excluded by section 552.137(c). Accordingly, the city must withhold the e-mail address the city marked under section 552.137 of the Government Code, unless the owner of the e-mail address affirmatively consents to its disclosure.

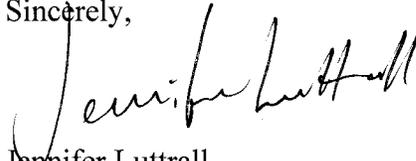

In summary, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. The city may withhold the information it has marked under section 552.108(a)(1) of the Government Code. Except for the information we have marked for release, the city must withhold the information you have marked under section 552.130 of the Government Code. The city must withhold the e-mail address you have marked under section 552.137 of the Government

Code, unless the owner affirmatively consents to its disclosure. The remaining information must be released.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
