

ATTORNEY GENERAL OF TEXAS

Ms. Patricia Guidry  
Director of Risk Management  
Aldine Independent School District  
14910 Aldine-Westfield Road  
Houston, Texas 77032-3099

OR2014-17659

Dear Ms. Guidry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 538740.

The Aldine Independent School District (the "district") received a request for employment records related to two named district teachers. We understand the district has redacted social security numbers from the submitted documents pursuant to section 552.147(b) of the Government Code.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher. *See* Open Records Decision No. 643

---

<sup>1</sup>Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

(1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You argue the information submitted as Exhibit 3A consists of confidential evaluations of the named teachers by the district. You inform us the teachers at issue were certified as teachers by the State Board of Educator Certification and we understand the teachers were acting as teachers at the time the evaluations were prepared. Upon review, we agree most of the information submitted as Exhibit 3A consists of confidential teacher evaluations for purposes of section 21.355. However, some of the information submitted as Exhibit 3A does not evaluate any teacher for purposes of section 21.355. This information, which we have marked for release, is not subject to section 21.355 of the Education Code and may not be withheld under section 552.101 of the Government Code on that basis. Accordingly, except for the information we marked for release, the district must withhold the information submitted as Exhibit 3A under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.101 of the Government Code also encompasses information made confidential by the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See Occ. Code* §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

*Id.* § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos.* 487 (1987), 370 (1983), 343 (1982). We have further found when a file is

created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990).

Upon review, we find some of the remaining information, which we have marked, constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician. Accordingly, the district must withhold the marked medical records under section 552.101 of the Government Code in conjunction with the MPA.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). However, this office has concluded the public has a legitimate interest in information that relates to public employees and their conduct in the workplace. *See, e.g.*, Open Records Decision Nos. 562 at 10 (1990) (personnel file information does not involve most intimate aspects of human affairs but in fact touches on matters of legitimate public concern), 470 at 4 (1987) (job performance does not generally constitute public employee’s private affairs), 444 at 3 (1986) (public has obvious interest in information concerning qualifications and performance of government employees), 405 at 2 (1983) (manner in which public employee’s job was performed cannot be said to be of minimal public interest). Upon review, we find some of the remaining information satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the district must withhold this information, which we have marked, under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have not demonstrated how any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the district may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.102(b) of the Government Code excepts from public disclosure “a transcript from an institution of higher education maintained in the personnel file of a professional public school employee[.]” Gov’t Code § 552.102(b). This exception further provides, however, that “the degree obtained or the curriculum on a transcript in the personnel file of the employee” are not excepted from disclosure. *Id.*; *see also* Open Records Decision No. 526 (1989). Thus, with the exception of the employees’ names, courses taken, and

degrees obtained, the district must withhold the submitted college transcripts, which we have marked, pursuant to section 552.102(b) of the Government Code.

Some of the remaining information may be subject to section 552.117 of the Government Code.<sup>2</sup> Section 552.117(a)(1) excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov't Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, "A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee's or former employee's social security number." *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Therefore, if the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, if the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the information we have marked under section 552.117(a)(1).

In summary, except for the information we marked for release, the district must withhold the information submitted as Exhibit 3A under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. The district must withhold the medical records we marked under section 552.101 of the Government Code in conjunction with the MPA. The district must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. With the exception of the employees' names, courses taken, and degrees obtained, the district must withhold the marked college transcripts pursuant to section 552.102(b) of the Government Code. If the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The district must release the remaining information.
