

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 8, 2014

Mr. Kyle St. Clair
Assistant General Counsel
Office of General Counsel
University of North Texas System
1901 Main Street, Suite 216
Dallas, Texas 75201

OR2014-18013

Dear Mr. St. Clair:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545549 (ORR# 002705).

The University of North Texas System (the "system") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we must address the system's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See Gov't Code* §552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The system received the request for information by e-mail on September 9, 2014. *See id.* § 552.301(c) (written request made through e-mail

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

must be sent to governmental body's officer for public information, or officer's designee, in order to trigger deadlines provided by Act). You do not inform us the system was closed for any business days between September 9, 2014, and September 23, 2014. Accordingly, you were required to request a decision from this office by September 23, 2014. However, the envelope in which the system provided the information required by section 552.301(b) was postmarked September 24, 2014. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the system failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). Generally, a compelling reason may exist to withhold information when the information is made confidential by another source of law or affects third-party interests. *See* Open Records Decision No. 150 at 2 (1977). Section 552.108 of the Government Code is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the system may not withhold the requested information based on its own law enforcement interest. However, the need of a governmental body other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. *See* ORD 586 at 3. Because you inform us, and provide documentation showing, the Denton County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the system may withhold the submitted information under section 552.108 on behalf of the district attorney's office.

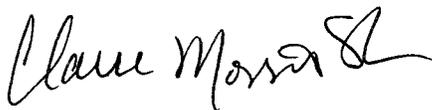

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have provided documentation from the district attorney's office demonstrating the information relates to a pending criminal

investigation or prosecution. Based upon this representation, we conclude release of the information at issue, which you have marked, will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the system may withhold the information you marked under section 552.108(a)(1) of the Government Code. The system must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
