Ms. Claire Miranda
Assistant District Attorney

Dear Ms. Miranda:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539854.

The Collin County District Attorney's Office (the "district attorney's office") received a request for the results of a specified investigation. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). You state, and provide an affidavit affirming, the submitted information pertains to an investigation that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to the submitted information. Accordingly, the district attorney's office may withhold the submitted information under section 552.108(a)(2).¹

¹As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
