October 15, 2014

Mr. Daniel Ortiz
Assistant City Attorney
City of El Paso
P.O. Box 1890

OR2014-18536

Dear Mr. Ortiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539354 (City No. 14-1026-4603).

The El Paso Police Department (the "department") received a request for six categories of department policies, protocols, and procedures. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2014-03476 (2014). In that ruling, we determined the City of El Paso (1) must withhold or release the submitted information that was at issue in Open Records Letter No. 2010-14987 in accordance with that ruling, (2) may withhold the information we marked under section 552.108(b)(1) of the Government Code, and (3) must release the remaining information. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, we conclude the department must rely on Open Records Letter No. 2014-03476 as a previous determination and withhold or release the submitted information in accordance with that ruling.¹ See Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior

ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
