Dear Mr. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 540285 (Fort Worth PIR No. W036067).

The City of Fort Worth (the "city") received a request for all records showing the purchase or lease of vehicles for the Mayor's Office and/or its police security detail during a specified time period and all records showing the purchase of furniture and/or decorative accessories for the Mayor's Office during the same time period. The city states it has released some of the requested information. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

We note the submitted information is subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ Gov't Code § 552.130(a).

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. Open Records Decision No. 481 (1987), 480 (1987), 470 (1987).

Upon review, we find the city must withhold the submitted information under section 552.130 of the Government Code.²
