City of Abilene

OR2014-19992

Dear Ms. Messer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542738.

The Abilene Police Department (the "department") received a request for all use of force reports collected by the department from January 1, 2010 to the date of the request. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 143.089 of the Local Government Code, which contemplates two different types of personnel files, a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.-Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under chapter 552 of the Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.--Austin 1993, writ denied).

We understand the City of Abilene is a civil service city under chapter 143 of the Local Government Code. You state the requested information pertains to investigations that did not result in disciplinary actions against the officers. You also state the information at issue is maintained in the department's internal files pursuant to section 143.089(g). Based on your representations and our review, we agree the department must withhold the requested information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.<sup>2</sup>
