Dear Ms. Lujan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542209 (Georgetown ORR No. G000369-081914).

The Georgetown Police Department (the "department") received a request for all video, including the officer's personal body camera and dash camera footage, and all audio records for a specified automobile accident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You state, and we agree, the submitted video and audio recordings contains information subject to section 552.130. The audio portions of the recordings are intertwined with the video portions of the recordings. You state the department lacks the technological capability to redact the motor vehicle record information in the video recordings. Thus, the department must withhold the video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
