

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 7, 2014

Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2014-20317

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 543633 (San Antonio File No. W031408).

The City of San Antonio (the "city") received a request for information pertaining to the Texas 1033 Surplus Property Program, including all submitted applications, a description of equipment issued, and any correspondence related to disciplinary actions taken against the city's police department for failure to comply with program guidelines. You claim the requested information is excepted from disclosure under sections 552.101 through 552.153 of the Government Code. We have considered the exceptions you claim.

We must address the city's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). In this instance, you state the city received the request for information on August 29, 2014. We note the city was closed September 1, 2014. Thus, the city's fifteen-business-day deadline under section 552.301(e) was September 22, 2014. However, as of the date of this letter, you have not submitted for our review written comments stating the reasons why the claimed exceptions apply, or a copy or representative sample of the information requested.

Consequently, we find the city failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. *See* Open Records Decision No. 150 at 2 (1977). Because the city has failed to comply with the procedural requirements of the Act, the city has waived its discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Although the city also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
