Ms. Linda Pemberton
Office of the City Attorney
City of Killeen
P.O. Box 1329

OR2014-20445

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 548242 (Killeen Request ID# W014591).

The City of Killeen (the "city") received a request for information pertaining to a specified case number. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted documents contain breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides, "[o]n the request of a person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. In this instance, the requestor is the individual who submitted the specimen at the request of a peace officer. You seek to withhold the information at issue under section 552.108 of the Government Code. A provision providing a specific right of access prevails over the general exceptions to disclosure found in the Act. *See* Open Records Decision No. 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Thus, the city may not withhold the information at issue under section 552.108 of the Government Code. Therefore, the city must release the submitted breath test results to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal investigation and prosecution. Based on this representation, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The sheriff’s office provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the sheriff’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

The DIC-24 and DIC-25 forms contain information subject to section 552.130 of the Government Code.¹ Section 552.130 provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a)(1). The sheriff’s office must withhold the information we have marked under section 552.130 of the Government Code.

In summary, the city must release the submitted breath test results to this requestor pursuant to section 724.018 of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, which must be withheld, the DIC-24 and DIC-25 forms must be released. Except for basic information, which must be released, the

city may withhold the remaining information under section 552.108(a)(1) of the Government Code.
