

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 1, 2014

Mr. Bill Delmore
Assistant District Attorney
9th Judicial District
207 West Phillips, 2nd Floor
Conroe, Texas 77301

OR2014-21652

Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 551276.

The Montgomery County District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified case. You state the district attorney's office has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information contains a CR-3 accident report form. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by statute.² Gov't Code § 552.101.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). The requestor has not provided the district attorney's office with two of the three requisite pieces of information specified by the statute. Accordingly, the district attorney's office must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108 of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal prosecution. Based on your representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning. The district attorney's office provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the district attorney's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.³

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a)(1).

³As our ruling is dispositive, we need not consider your remaining argument against disclosure of this information.

Accordingly, the district attorney's office must withhold the information we have marked in the DIC-24 form under section 552.130 of the Government Code.

In summary, the district attorney's office must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of information we have marked to withhold under section 552.130 of the Government Code, the DIC-24 form must be released. With the exception of basic information, which you state has been released, the district attorney's office may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
