Mr. Brandon S. Davis  
Counsel for the City of Liberty

OR2014-21690

Dear Mr. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 551878.

The City of Liberty Municipal Court (the "court"), which you represent, received a request for all ticketed drivers who requested defensive driving for a specified time period. You claim the submitted information does not consist of public information subject to the Act. We have considered the submitted argument and reviewed the submitted information.

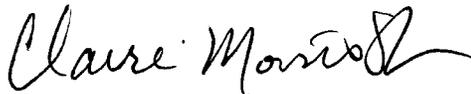

The Act is applicable to information "written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body." Gov't Code § 552.002(a)(1). However, the Act's definition of "governmental body" does not include the judiciary. *Id.* § 552.003(1)(B). Information "written, produced, collected, assembled, or maintained by or for the judiciary" is not subject to the Act but, instead, is "governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules." *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Government Code section 552.003(1)(B) prior to enactment of Government Code section 552.0035). Therefore, the Act neither authorizes information held by the judiciary to be withheld, nor does it require such information be disclosed. *See* Open Records Decision No. 25 (1974). The instant request was addressed to the court. Thus, the instant request is for information maintained by the court. Accordingly, we conclude the requested information is not subject

to the Act and the court is not required to release it in response to this request for information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Claire V. Morris Sloan
