Mr. Philip S. Haag

OR2014-21832

Dear Mr. Haag:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545394.

The Johnson Ranch Municipal Utility District (the "district"), which you represent, received a request for information from a specified time period, including any and all district meeting minutes, filings with state agencies, and director's sworn statements, oaths, and bonds. You claim portions of the submitted information are excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

Initially, we note attachment C consists of the minutes of meetings of the board of directors of the district. The minutes of a governmental body's public meetings are specifically made public under provisions of the Open Meetings Act (the "OMA"), chapter 551 of the Government Code. *See id.* § 551.022 (minutes and tape recordings of open meeting are public records and shall be available for public inspection and copying on request to governmental body's chief administrative officer or officer's designee). Although you seek to withhold this information under section 552.103, as a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Accordingly, the district must release attachment C pursuant to the OMA.

Next, we note the submitted information contains an order of the district. Because laws and ordinances are binding on members of the public, they are matters of public record and may not be withheld from disclosure under the Act. *See* Open Records Decision No. 221 at 1 (1979) (“official records of the public proceedings of a governmental body are among the most open of records”); *see also* Open Records Decision No. 551 at 2-3 (1990) (laws or ordinances are open records). The order appears to have been adopted at a public meeting of the district and, thus, is an official record of the public proceedings of a governmental body. Accordingly, the district must release the order, which we have marked. *See* ORD 221 at 1.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person’s office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov’t Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) applies in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the requested information is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref’d n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4. We note contested cases conducted under the Administration Procedure Act (the “APA”), chapter 2001 of the Government Code, are considered litigation for purposes of section 552.103. *See* Open Records Decision No. 588 at 7 (1991). We further note a contested case before the State Office of Administrative Hearings (the “SOAH”) is considered litigation for the purposes of the APA. *See id.*

You contend the remaining information is related to pending litigation to which the district is a party. You inform us the district is currently involved in pending litigation with the requestor; further, you explain the district is a party to a contested case hearing with the State Office of Administrative Hearings regarding an application by a company to provide

wastewater service to the district. You also state the information at issue relates to the pending litigation. Upon review, we find litigation was pending when the district received this request for information and the remaining information is related to the pending litigation for the purposes of section 552.103. Therefore, the district may withhold the remaining information under section 552.103 of the Government Code.

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the pending litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
