Mr. Jeffrey L. Moore

OR2014-21852

Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 552402.

The Colony Police Department (the "department"), which you represent, received a request for the probable cause affidavit pertaining to a specified arrest of a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is an attorney for the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. As a general rule, the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Thus, the department must release the breath test results to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active investigation or prosecution. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the breath test results to this requestor pursuant to section 724.018 of the Transportation Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Claire V. Morris Sloan
