GREG ABBOTT

December 12, 2014

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2014-22591

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 547124.

The City of Conroe (the "city") received a request for information relating to a specified incident. The city states it has released some of the requested information. The city claims the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information.

Initially, we note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to an allegation of forgery or fraud, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent it contains confidential information. *See* Crim. Proc. Code art. 2.29. Although the city seeks to withhold the submitted information under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted information may not be withheld under section 552.108 of the Government Code. We note, however, the city raises section 552.130 of the Government Code, which makes information confidential. Accordingly, we will address this exception for the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the city has failed to demonstrate any of the submitted information is subject to section 552.130 of the Government Code; thus, the city may not withhold any of the submitted information on that basis. As the city raises no other exceptions to disclosure, it must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. David L. Wheelus
