Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 548608.

The Little Elm Police Department (the "department"), which you represent, received a request for the video pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we agree the submitted video recording contains motor record vehicle information subject to section 552.130. You state the department does not have the technological capability to redact this information from the submitted video recording. Accordingly, the department must withhold the submitted video recording in its entirety under section 552.130 of the Government Code.<sup>1</sup>
