Mr. Orlando "Jay" Juarez, Jr.
Counsel for the United Independent School District
J. Cruz & Associates, LLC
216 West Village Boulevard, Suite 202
Laredo, Texas 78041

OR2016-01057

Dear Mr. Juarez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 592139.

The United Independent School District (the "district"), which you represent, received a request for four categories of information pertaining to employee retirement savings. The district claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the district claims.

We must address the district's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). As of the date of this ruling, the district has not submitted to this office a copy or representative sample of any of the requested information. Consequently, we find the district failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301 results in the legal presumption that the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 319 (1982). Normally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. *See* Open Records Decision No. 150 at 2 (1977). Although the district raises section 552.101 of the Government Code, a mandatory exception to disclosure, because the district has not submitted any responsive information, we have no basis for finding any of the requested information excepted from disclosure or confidential by law. Thus, we have no choice but to order the information released to the requestor pursuant to section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Ms. Larissa T. Roeder
Assistant District Attorney
Dallas County District Attorney's Office
133 North Riverfront Boulevard, LB-19
Dallas, Texas 75207-4399

OR2016-

Dear Ms. Roeder:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594136.

The Dallas County District Attorney's Office (the "district attorney's office") received a request for all police reports, book-in sheets, discovery, and records pertaining to a named individual, including two specified cases. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108 of the Government Code provides in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

...

(4) it is information that:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)(4). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* §§ 552.108, .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). In *Curry v. Walker*, 873 S.W.2d 379 (Tex. 1994), the Texas Supreme Court held a request for a district attorney's "entire litigation file" was "too broad" and, quoting *National Union Fire Insurance Co. v. Valdez*, 863 S.W.2d 458 (Tex. 1993) (orig. proceeding), held "the decision as to what to include in [the file] necessarily reveals the attorney's thought processes concerning the prosecution or defense of the case." *Curry*, 873 S.W.2d at 380. You contend the request encompasses the district attorney's office's entire prosecution file for the cases at issue. In addition, you assert release of the information at issue would reveal the mental impressions or legal reasoning of prosecutors in the district attorney's office. Based on the your representations and our review, we agree section 552.108(a)(4) is applicable to the submitted information.¹

Section 552.108, however, does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic information, which must be released, the district attorney's office may withhold the submitted information under section 552.108(a)(4) of the Government Code and the court's ruling in *Curry*.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling is dispositive, we need not address the district attorney's office's remaining arguments against disclosure.

²We note basic information includes an arrestee's social security number. Section 552.147(b) of the Government Code authorizes a government body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147(b).
