OR2016-01121

Dear Ms. Mihalick:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594538.

The College of the Mainland (the "college"), which you represent, received a request for the information pertaining to a specified investigation. You claim some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed audit that is subject to section 552.022(a)(1). The college must release the completed audit pursuant

to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information at issue under section 552.111 of the Government Code. However, section 552.111 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 663 at 5 (1999) (governmental body may waive section 552.111), 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the submitted information may not be withheld under section 552.111 of the Government Code. As you raise no further exceptions to disclosure, the college must release the submitted information pursuant to section 552.022(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
