Mr. W. Montgomery Meitler  
Senior Counsel

Texas Education Agency

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595643 (ORR# 25801).

The Texas Education Agency (the "TEA") received a request for information related to a specified investigation. You state the TEA is withholding e-mail addresses of members of the public under section 552.137 of the Government Code pursuant to Open Records Decision No. 684 (2009).<sup>1</sup> You state the TEA will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

---

<sup>1</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain information, including an e-mail address of a member of the public under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.116 of the Government Code provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) “Audit” means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) “Audit working paper” includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov’t Code § 552.116. You state the submitted information consists of audit working papers prepared or maintained by the TEA’s Division of Complaints, Investigations, and Enforcement in conjunction with an audit of a specified school district. You state the audit was authorized by section 39.057(a)(14) of the Education Code, which permits special accreditation investigations to be conducted as the commissioner of education determines necessary. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Based on these representations and our review, we agree the information at issue consists of audit working papers for purposes of section 552.116. Therefore, the TEA may withhold the submitted information under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
