City of Corpus Christi

OR2016-01418

Dear Ms. Alcorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594778 (City File# 1228).

The City of Corpus Christi (the "city") received a request for all city council conflict disclosures for a specified year. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential. Section 551.104 of the Government Code provides in part "[t]he certified agenda or recording of a closed meeting is available for public inspection and copying only under a court order issued under Subsection (b)(3)." *Id.* § 551.104(c). Thus, such information cannot be released to a member of the public in response to an open records request. *See* Attorney General Opinion JM-995 at 5-6 (1988) (public disclosure of certified agenda of closed meeting may be accomplished only under procedures provided in Open Meetings Act). Section 551.146 of the Open Meetings Act makes it a criminal offense to disclose a certified agenda and recording of a lawfully closed meeting to a member of the public. *See* Gov't Code § 551.146(a)-(b); *see also* Open Records Decision No. 495 at 4 (1988) (attorney general lacks authority to review certified agendas or tapes of executive sessions to determine whether governmental body may withhold such information under statutory predecessor to section 552.101). However, other records related to a closed meeting, other than a certified agenda or recording, are not made confidential by chapter 551 of the Government Code. *See*

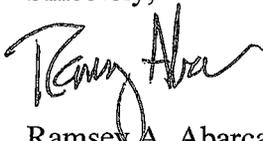

Open Records Decision Nos. 605 at 2-3 (1992) (concluding that section 551.074 does not authorize a governmental body to withhold its records of the names of applicants for public employment who were discussed in an executive session), 485 at 9-10 (1987) (investigative report not excepted from disclosure under statutory predecessor to section 552.101 simply by virtue of its having been considered in executive session); *see also* Attorney General Opinion JM-1071 at 3 (1989) (statutory predecessor to section 551.146 did not prohibit members of governmental body or other individuals in attendance at executive session from making public statements about subject matter of executive session); *see also* Open Records Decision Nos. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure), 649 at 3 (1996) (language of confidentiality provision controls scope of its protection), 478 at 2 (1987) (statutory confidentiality requires express language making certain information confidential or stating that information shall not be released to public).

You assert the information at issue is excepted from disclosure pursuant to section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code. We note the information at issue consists of a city council member's affidavit disclosing a business interest and does not constitute a certified agenda or recording of a closed meeting. Therefore, the information at issue may not be withheld under section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code. As you do not raise any other exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Ramsey A. Abarca
