OR2016-01639

Dear Mr. Lopez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594844.

The South San Antonio Independent School District (the "district"), which you represent, received a request for information pertaining to a named district employee. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a).

This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word "teacher" means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction,

and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You argue the submitted information consists of an evaluation of the named employee in her performance as a teacher. Upon review, we find the submitted information does not consist of an evaluation of a teacher for purposes of section 21.355. Therefore, the district may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See* Gov’t Code § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter E-1 or subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter E-1 or subchapter F of the Government Code. Upon review, we find you have not demonstrated any portion of the submitted information consists of CHRI for purposes of chapter 411 of the Government Code, and the district may not withhold it under section 552.101 of the Government Code on that basis.

Section 552.147(a-1) of the Government Code provides, “The social security number of an employee of a school district in the custody of the district is confidential.”¹ *Id.* § 552.147(a-1). Thus, section 552.147(a-1) makes the social security numbers of school district employees confidential, without such employees being required to first make a confidentiality election under section 552.024 of the Government Code. *Id.* § 552.024(a-1) (school district may not require employee or former employee of district to choose whether to allow public access to employee’s or former employee’s social security number). Reading sections 552.024(a-1) and 552.147(a-1) together, we conclude section 552.147(a-1) makes confidential the social security numbers of both current and former school district employees.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Therefore, the district must withhold the information we have marked under section 552.147(a-1) of the Government Code. As you raise no further exceptions to disclosure, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
