ATTORNEY GENERAL OF TEXAS

January 25, 2016

Ms. Jennifer Burnett
Attorney
Office of General Counsel
The University of Texas System
201 West Seventh Street
Austin, Texas 78701-2902

OR2016-01714

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595242 (OGC# 165422).

The University of Texas at Arlington (the "university") received a request for a specified police report. You state you will redact information pursuant to sections 552.130(c) and 552.136(c) of the Government Code.¹ You claim portions of the submitted information are not subject to the Act. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, you assert the University of Texas Electronic Identification Numbers ("UTEIDs") contained in the submitted information are not subject to the Act. The Act applies only to

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136 of the Government Code permits a governmental body to withhold the information described in section 552.136(b) without the necessity of seeking a decision from this office. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

“public information.” See Gov’t Code § 552.021. Section 552.002(a) defines “public information” as:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer’s or employee’s official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). In Open Records Decision No. 581 (1990), this office determined that certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an individual’s UTEID provides employees and students access to the university’s computer system, but does not consist of log-on information. We understand the UTEID is part of a two-part log in protocol that could access secure and sensitive employment and student records, as well as the potential to compromise high level functions. Accordingly, we find UTEIDs contained in the submitted information do not constitute public information under section 552.002 of the Government Code, are not subject to the Act, and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the common-law right to privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this

test must be met. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision No. 600 (1992) (personal financial information includes choice of a particular insurance carrier). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. In considering whether a public citizen's date of birth is private, the Third Court of Appeals looked to the supreme court's rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees' dates of birth are private under section 552.102 of the Government Code because the employees' privacy interest substantially outweighed the negligible public interest in disclosure.² *Texas Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens' dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at *3. Upon review, we find the university must withhold the public citizens' dates of birth you marked, as well as the additional information you marked, under section 552.101 of the Government Code in conjunction with common-law privacy.³

In summary, the UTEIDs in the submitted information are not subject to the Act and need not be released to the requestor. The university must withhold the public citizens' dates of birth you marked, as well as the additional information you marked, under section 552.101 of the Government Code in conjunction with common-law privacy. The university must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²Section 552.102(a) exempts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a).

³You ask this office to issue a previous determination permitting the university to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001). Please note the university may withhold public citizens' dates of birth without the necessity of requesting an attorney general decision pursuant to Open Records Letter No. 2016-00361 (2016).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
