Texas Commission on Jail Standards

Dear Ms. Spiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595190.

The Texas Commission on Jail Standards (the "commission") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. You also state you notified the Williamson County Sheriff's Office (the "sheriff's office") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the sheriff's office. We have considered the submitted arguments and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. This office has concluded, however, that section 552.108 may be invoked by any proper custodian of information that relates to the incident. *See* Open Records Decision Nos. 474 (1987), 372

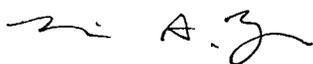

(1983). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state, and provide documentation demonstrating, the sheriff's office objects to disclosure of the submitted information because it relates to an active criminal investigation. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the commission may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the sheriff's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
