Mr. Ricardo R. Lopez
Counsel for the North East Independent School District
Schulman, Lopez, Hoffer & Adelstein, LLP
517 Soledad Street
San Antonio, Texas 78205-1508

OR2016-01756

Dear Mr. Lopez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595389.

The North East Independent School District (the "district"), which you represent, received a request for a specified discipline file and information pertaining to a named former district employee. You state the district has redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

Section 552.116 of the Government Code provides,

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) “Audit” means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) “Audit working paper” includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov’t Code § 552.116. You state, and provide documentation demonstrating, Exhibit D consists of audit working papers prepared or maintained in the course of an investigation authorized by specified district policies adopted by the district’s school board. Based on your representations and our review, we agree the information submitted as Exhibit D constitutes audit working papers. Therefore, the district may withhold Exhibit D under section 552.116 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” *Id.* § 552.101. This section encompasses section 21.355 of the Education Code, which provides, “[a] document evaluating the performance of a teacher or administrator is confidential.”

Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have determined that for purposes of section 21.355, “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. We also have determined that “administrator,” for purposes of section 21.355, means a person who is required to and does in fact hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.* The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355, because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *See North East Indep. Sch. Dist. v. Abbott*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). We further determined that “teacher interns, teacher trainees, librarians, educational aids and counselors cannot be teachers or administrators for purposes of section 21.355.” *See* Open Records Decision No. 684 at 5 (2009).

You assert Exhibit C consists of written evaluations that are confidential under section 21.355 of the Education Code. However, we note the information at issue pertains to the employee’s performance as a counselor. Thus, we find you have not shown this employee is certified as a teacher or administrator, and therefore, have not shown the information at issue evaluates the performance of a teacher or administrator for the purposes of section 21.355. Therefore, the district may not withhold any portion of Exhibit C under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1).² *See* Gov’t Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

employee or official of the district who requests this information be kept confidential under section 552.024. We note section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, to the extent the employee at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. However, the district may only withhold the marked cellular telephone number if a governmental body did not pay for the service. Conversely, to the extent the employee at issue did not timely request confidentiality under section 552.024, the district may not withhold the information under section 552.117(a)(1) of the Government Code.

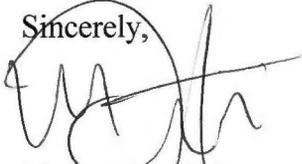

Section 552.147(a-1) of the Government Code provides, "[t]he social security number of an employee of a school district in the custody of the district is confidential." Gov't Code § 552.147(a-1). Thus, section 552.147(a-1) makes the social security numbers of school district employees confidential, without such employees being required to first make a confidentiality election under section 552.024 of the Government Code. *Id.* § 552.024(a-1) (school district may not require employee or former employee of district to choose whether to allow public access to employee's or former employee's social security number). Reading sections 552.024(a-1) and 552.147(a-1) together, we conclude section 552.147(a-1) makes confidential the social security numbers of both current and former school district employees. Therefore, the district must withhold the information we have marked under section 552.147(a-1) of the Government Code.

In summary, the district may withhold Exhibit D under section 552.116 of the Government Code. To the extent the individual at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. However, the district may only withhold the marked cellular telephone number if a governmental body did not pay for the service. The district must withhold the information we have marked under section 552.147(a-1) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
