January 27, 2016

Mr. W. Montgomery Meitler
Senior Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701

OR2016-01961

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595646 (TEA PIR #25762).

The Texas Education Agency (the "agency") received a request for information pertaining to a specified complaint regarding an incident that happened at Belton Independent School District (the "district"). You state you have redacted some information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.¹ You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.116 provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state some of the submitted information, which you have indicated, consists of audit working papers maintained by the agency's Division of Educator Investigations in conjunction with an investigation of alleged educator misconduct. You inform us the investigation is authorized by sections 21.031 and 21.041 of the Education Code and section 249.14 of title 19 of the Texas Administrative Code. *See* Educ. Code §§ 21.031(a) (the agency shall regulate and oversee standards of conduct of public school educators), .041(b) (the agency shall propose rules providing for disciplinary proceedings); 19 T.A.C. § 249.14(a) (the agency may obtain and investigate information concerning an educator's alleged improper conduct). You also state the remaining information consists of audit working papers prepared or maintained by the agency's Division of Complaints, Investigation, and Enforcement in conjunction with an audit of the

district. You inform us the audit was authorized by section 39.057 of the Education Code. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Based upon your representations and our review, we agree section 552.116 is applicable in this instance. Therefore, the agency may withhold the submitted information under section 552.116 of the Government Code.
