ATTORNEY GENERAL OF TEXAS

Ms. Amanda Brown
Legal Assistant

P.O. Box 109

OR2016-02170

Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595830 (ORR No. G001790-110215).

The Georgetown Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a department police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code, which is encompassed by section 552.101 of the Government Code.¹ Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

¹Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101.

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

Section 552.101 of the Government Code also encompasses information protected by other statutes, such as section 58.007 of the Family Code. The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child’s parent or guardian.

²As our determination is dispositive, we need not address your argument against disclosure of this information.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under Chapter 552, Government Code, or other law.

Fam. Code § 58.007(c), (e), (j). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997, are confidential under section 58.007. *See id.* § 51.03 (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of Fam. Code § 58.007). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the conduct at issue. *See id.* § 51.02(2). Upon review, we find the remaining information is subject to section 58.007(c). In this instance, the requestor is a parent of one of the juvenile offenders at issue. Therefore, this requestor has a right to inspect this information under section 58.007(e), and it may not be withheld from him under section 552.101 of the Government Code in conjunction with section 58.007(c). *Id.* § 58.007(e). However, any personally identifiable information concerning another juvenile suspect, offender, victim, or witness must be redacted. *Id.* § 58.007(j)(1). Accordingly, the department must withhold the identifying information of the other juvenile offender under section 58.007(j)(1) of the Family Code in conjunction with section 552.101 of the Government Code. Further, section 58.007(j)(2) provides information subject to any other exception to disclosure under the Act or other law must be redacted. *See id.* § 58.007(j)(2). Thus, we will consider whether the submitted information is otherwise excepted from disclosure.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release.³ Gov't Code § 552.130. Upon review, we find the department must withhold the discernable motor vehicle record information under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this

³The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

information, and the department need not release the submitted body camera recordings at issue in response to this request for information. The department must withhold: (1) the identifying information of the other juvenile offender under section 58.007(j)(1) of the Family Code in conjunction with section 552.101 of the Government Code, and (2) the discernable motor vehicle record information under section 552.130 of the Government Code. The department must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
