Dear Mr. Darby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 596423.

The San Antonio Independent School District (the "district"), which you represent, received a request for information pertaining to the requestor's application for a specified position with the district. Although you take no position as to whether the submitted information is excepted from public disclosure under the Act, you state release of the submitted information may implicate the interests of three individuals. Accordingly, you state, and provide documentation showing, you notified these individuals of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested third party may submit comments stating why information should or should not be released). We have reviewed the submitted information.

As of the date of this letter, we have not received any comments from any of the third parties explaining why any portion of the submitted information should not be released to the requestor. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
