Dear Ms. McCarthy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 598994 (HCAD Ref. No. 15-4295).

The Harris County Appraisal District (the "district") received a request for information pertaining to a specified account. The district claims some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception the district claims and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The district states the requestor has not provided the required authorization to establish a right of access to the information at issue. Accordingly, the district must withhold the motor vehicle record information it has marked under section 552.130 of the Government Code. As the district raises no further exceptions against disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
