Mr. David T. Ritter
Counsel for the City of McKinney
Brown & Hofmeister, L.L.P.

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 599576 (City ID No. 15-17865).

The City of McKinney (the "city"), which you represent, received a request for any e-mails between two named individuals. You claim the submitted information is not subject to the Act. We have considered your claim and reviewed the submitted information.

You contend the submitted information is not subject to the Act. The Act is applicable only to "public information." *See* Gov't Code §§ 552.002, .021. Section 552.002(a) defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). Information is “in connection with the transaction of official business” if it is “created by, transmitted to, received by, or maintained by an officer or employee of the governmental body in the officer's or employee's official capacity, or a person or entity performing official business or a government function on behalf of a governmental body, and pertains to official business of the governmental body.” *Id.* § 552.002(a-1). Thus, virtually all the information in a governmental body's physical possession constitutes public information and is subject to the Act. *Id.*; see Open Records Decision Nos. 549 at 4 (1990), 514 at 1-2 (1988). You inform us the information at issue consists of personal correspondence that has no connection with the official business of the city and which constitutes incidental use of e-mail by a city employee. You indicate the use of city resources to create and maintain the information at issue was *de minimis*. See Open Records Decision No. 635 (1995) (statutory predecessor not applicable to personal information unrelated to official business and created or maintained by state employee involving *de minimis* use of state resources). Thus, you assert the information at issue does not constitute public information subject to the Act. Based on your representations and our review of the information at issue, we find the information at issue does not constitute public information for purposes of section 552.002 of the Government Code. See *id.* at 4. Therefore, this information is not subject to the Act, and the city need not release it in response to this request.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
