Dear Ms. Wilson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 599301 (TDI # 167896).

The Texas Department of Insurance (the "department") received a request for a specified exhibit from a specified filing. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 823.011 of the Insurance Code. Section 823.011 states, in relevant part, the following:

(a) This section applies only to information, including documents and copies of documents, that is:

(1) reported or otherwise provided under Subchapter B or C [of Chapter 823 of the Insurance Code] or Section 823.201(d) or (e)[.]

...

(b) The information shall be confidential and privileged for all purposes. Except as provided by Subsections (c) and (d), the information may not be disclosed without the prior written consent of the insurer to which it pertains.

(c) The commissioner may publish all or any part of the information in the manner that the commissioner considers appropriate if the commissioner, after giving the insurer and its affected affiliates notice and an opportunity to be heard, determines that the interests of policyholders or the public will be served by the publication of the information.

...

(f) Information described by Subsection (a), including information in the possession of the National Association of Insurance Commissioners under this section, is confidential and privileged for all purposes, including for purposes of:

(1) [the Act.]

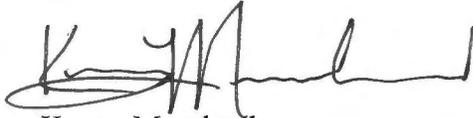

Ins. Code § 823.011(a)(1), (b)-(c), (f)(1). You state the submitted information, which consists of an exhibit to a required notice, was provided to the department under subchapter C of chapter 823 of the Insurance Code. You state the exceptions to confidentiality found in subsections (c) and (d) of section 823.011 do not apply to the information at issue, and you do not indicate the insurers to which it pertains have consented to its disclosure. *See id.* § 823.011(b)-(d). Therefore, we conclude the department must withhold the submitted information under section 823.011 of the Insurance Code pursuant to section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
