Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 600216.

The Town of Flower Mound (the "town") received a request for information pertaining to a specified incident. You state the town will redact certain information pursuant to Open Record Decision No. 684 (2009), motor vehicle record information pursuant to section 552.130(c) of the Government Code, and social security numbers pursuant to section 552.147(b) of the Government Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information without the necessity of requesting an attorney general decision. *See* ORD 684. Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(a), (c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses section 826.0211(a) of the Health and Safety Code, which reads as follows:

Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under [the Act]. The information contained in the certificate or record may not include the social security number or the driver’s license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). Section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. The submitted information includes a rabies vaccination certificate. Therefore, the town must withhold the owner’s identifying information within this certificate, which we have marked, under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. However, we find the town has failed to demonstrate any of the remaining information is confidential under section 826.0211 of the Health and Safety Code. Therefore, the town may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses section 826.0311 of the Health and Safety Code, which states, in relevant part:

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under [the Act]. The information contained in the registry may not include the social security number or the driver’s license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under [the Act], and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

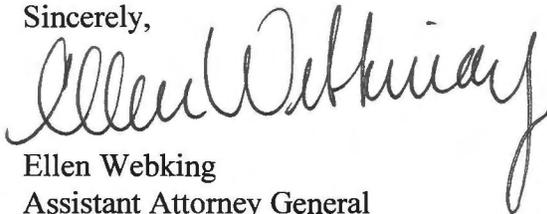

Id. § 826.0311(a), (b). Section 826.0311 only applies to the actual pet registry; it is not applicable to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure). In this instance, you have not explained, and the remaining documents do not reflect, how the remaining information consists of the actual pet registry for the town. Thus, we find you have failed to establish the remaining information is contained in a municipal or county registry of dogs and cats and identifies or tends to identify the owner of a registered dog or cat. Therefore, the town may not withhold the remaining information under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code.

In summary, the town must withhold the owner's identifying information within the rabies vaccination certificate, which we have marked, under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. The town must release the remaining information.
