ATTORNEY GENERAL OF TEXAS

Ms. Leslie O. Haby  
Assistant Criminal District Attorney  
Civil Section  
Bexar County Criminal District Attorney's Office  
101 West Nueva, 7th Floor  
San Antonio, Texas 78205

OR2016-05100

Dear Ms. Haby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607008.

The Bexar County Medical Examiner's Office (the "medical examiner's office") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the obligations of the medical examiner's office under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e), the governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the state exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the

<sup>1</sup>Although you also raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The medical examiner's office received the request for information on January 7, 2016. We understand the medical examiner's office was closed on January 18, 2016. This office does not count the day the request was received or holidays for purposes of calculating a governmental body's deadlines under the Act. Thus, the ten-business-day deadline for requesting a ruling from this office was January 22, 2016, and the fifteen-business-day deadline was January 29, 2016. However, the envelope in which you requested a ruling from this office and submitted the information required by section 552.301(e) bears a postmark of February 11, 2016. *See id.* § 552.308 (prescribing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the medical examiner's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of the Act results in the legal presumption the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 319 (1982). The presumption information is public under section 552.302 can be overcome by demonstrating that the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). You claim an exception to disclosure under section 552.108 of the Government Code, which is a discretionary exception that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). You provide a representation that the San Antonio Police Department (the "department") asserts the information at issue should be withheld under section 552.108 of the Government Code. Therefore, we will consider whether the information at issue may be withheld on behalf of the department under section 552.108.

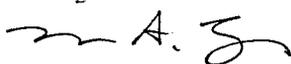

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(a); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You inform this office the department objects to release of the information at issue because release would interfere with a pending criminal investigation. Based on this representation, we conclude that section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the medical examiner's office may withhold the submitted information on behalf of the department under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
