OR2016-05927

Dear Ms. Alcorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 601693 (File Number 1445).

The City of Corpus Christi (the "city") received a request for citation and fine information pertaining to a specified address for a specified period of time. You state you are releasing some information. You claim the submitted information is not subject to the Act. You also claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered your arguments and reviewed the submitted information.

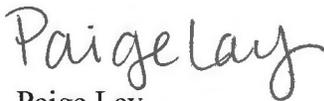

The Act is applicable to information "written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body." Gov't Code § 552.002(a)(1). However, the Act's definition of "governmental body" "does not include the judiciary." *Id.* § 552.003(1)(B). Information "collected, assembled, or maintained by or for the judiciary" is not subject to the Act but is instead "governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules." *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Gov't Code § 552.003(1)(B) prior to enactment of Gov't Code § 552.0035). Therefore, the Act neither authorizes information held by the judiciary to be withheld, nor does it require such information be disclosed. *See* Open Records Decision No. 25 (1974). You state the information at issue consists of judicial records of the city's municipal court. Accordingly, we conclude the submitted information,

which consists of records of the judiciary, is not subject to the Act and need not be released in response to this request for information.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
