ATTORNEY GENERAL OF TEXAS

March 28, 2016

Mr. Jeffrey W. Giles
Assistant City Attorney
Legal Department
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2016-06814

Dear Mr. Giles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 603162 (Houston GC No. 22959).

The City of Houston (the "city") received a request for information received from a named individual concerning any expert work provided to the city or any of its representatives in connection with a specified ordinance. You state you will make some information available to the requestor. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.107 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and provide documentation showing, prior to the city's receipt of the instant request, a lawsuit styled *Woodfill v. Parker*, Cause No. 2014-44974, was filed and is currently pending against the city in the 152nd District Court of Harris County, Texas. Therefore, we agree litigation was pending on the date the city received the present request for information. You also state the information at issue pertains to the substance of the lawsuit claims. Upon review, we agree the information at issue is related to the pending litigation. Therefore, we conclude the city may withhold the submitted information under section 552.103 of the Government Code.¹

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.
