Ms. Anne M. Constantine
Legal Counsel
Dallas/Fort Worth International Airport Board
P.O. Box 619428
DFW Airport, Texas 75261-9428

OR2016-10809

Dear Ms. Constantine:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 609619.

The Dallas/Fort Worth International Airport Board (the "board") received a request for information pertaining to a specified audit department investigation. We understand you have released some information. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code and privileged under Texas Rule of Evidence 503.¹ We have considered the submitted arguments and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108; [and]

¹Although you raise section 552.101 of the Government Code in conjunction with rule 503 of the Texas Rules of Evidence, this office has concluded section 552.101 does not encompass discovery privileges. See Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990).

Gov't Code § 552.022(a)(1). The submitted information includes a completed investigation report that is subject to section 552.022(a)(1). The board must release the completed investigation report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information at issue under rule 503 of the Texas Rules of Evidence. The Texas Supreme Court has held the Texas Rules of Evidence are "other law" within the meaning of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 336 (Tex. 2001). We will therefore consider your assertion of the attorney-client privilege under rule 503 of the Texas Rules of Evidence for the information subject to section 552.022. We will also consider your argument for the remaining information not subject to section 552.022.

Texas Rule of Evidence 503(b)(1) provides the following:

A client has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications made to facilitate the rendition of professional legal services to the client:

(A) between the client or the client's representative and the client's lawyer or the lawyer's representative;

(B) between the client's lawyer and the lawyer's representative;

(C) by the client, the client's representative, the client's lawyer, or the lawyer's representative to a lawyer representing another party in a pending action or that lawyer's representative, if the communications concern a matter of common interest in the pending action;

(D) between the client's representatives or between the client and the client's representative; or

(E) among lawyers and their representatives representing the same client.

Tex. R. Evid. 503(b)(1). A communication is "confidential" if not intended to be disclosed to third persons other than those to whom disclosure is made to further the rendition of professional legal services to the client or reasonably necessary to transmit the communication. *Id.* 503(a)(5).

Accordingly, in order to withhold attorney-client privileged information from disclosure under Rule 503, a governmental body must 1) show that the document is a communication transmitted between privileged parties or reveals a confidential communication; 2) identify the parties involved in the communication; and 3) show that the communication is

confidential by explaining that it was not intended to be disclosed to third persons and that it was made in furtherance of the rendition of professional legal services to the client. *See* ORD 676. Upon a demonstration of all three factors, the entire communication is confidential under Rule 503 provided the client has not waived the privilege or the communication does not fall within the purview of the exceptions to the privilege enumerated in Rule 503(d). *Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein); *In re Valero Energy Corp.*, 973 S.W.2d 453, 457 (Tex. App.—Houston [14th Dist.] 1998, orig. proceeding) (privilege attaches to complete communication, including factual information).

You state the submitted completed investigation report consists of a communication involving a board attorney and other board employees and officials. You state the communication was made for the purpose of facilitating the rendition of professional legal services to the board and this communication has remained confidential. Upon review, we find you have established the information at issue constitutes an attorney-client communication under rule 503. Thus, the board may withhold the information subject to section 552.022 under Texas Rule of Evidence 503.

Section 552.116 of the Government Code provides,

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) “Audit” means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) “Audit working paper” includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

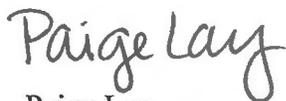

Gov't Code § 552.116. You state that the board is a joint board operating under section 22.074 of the Transportation Code. You state the remaining information at issue consists of working papers used to conduct an audit under the authority of an audit plan approved by a resolution of the board. You have provided a copy of the resolution. Based on your representations and our review of the information at issue, we conclude the board may withhold the remaining information at issue under section 552.116 of the Government Code.

In summary, the board may withhold the information subject to section 552.022 under Texas Rule of Evidence 503. The board may withhold the remaining information at issue under section 552.116 of the Government Code.
