ATTORNEY GENERAL OF TEXAS

Ms. Rachel Saucier  
Legal Assistant  
City of Georgetown  
P. O. Box 409  
Georgetown, Texas 78627-0409

OR2016-13439

Dear Ms. Saucier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 613831 (Reference No. G002253-032216).

The City of Georgetown (the "city") received a request for information concerning a specified incident. You state the city released some of the information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information contains a body-worn camera recording. That recording is subject to chapter 1701 of the Occupations Code, which provides the procedures a requestor must follow when seeking a body-worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). The requestor has not provided the required information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body-worn camera recording pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

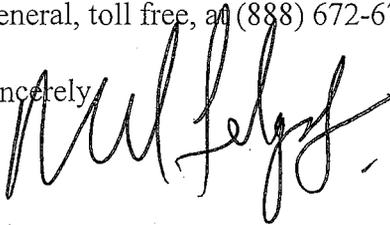

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s or driver’s license or permit and a motor vehicle title or registration issued by an agency of this state or another state or country. Gov’t Code § 552.130(a)(1), (2). The remaining video recording contains motor vehicle record information subject to section 552.130 of the Government Code. You state the city does not have the technological capability to redact this information. Accordingly, the city must withhold the remaining information under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body-worn camera recording pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the remaining information under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
