ATTORNEY GENERAL OF TEXAS

July 27, 2016

Mr. T. Daniel Santee  
Counsel for the City of Schertz  
Denton Navarro Rocha Bernal Hyde & Zech, P.C.  
2517 North Main Avenue  
San Antonio, Texas 78212-4685

OR2016-16888

Dear Mr. Santee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 620190.

The City of Schertz (the "city"), which you represent, received a request for body worn camera and dash camera recordings of a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a city police officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and they need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108 of the Government Code provides, in part, the following:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

...

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

...

(2) the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication[.]

Gov't Code § 552.108(a)(2), (b)(2). A governmental body raising section 552.108 must explain the applicability of that section. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). A governmental body claiming subsection 552.108(a)(2) or subsection 552.108(b)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. Upon review, we conclude you have not demonstrated any of the remaining information pertains to a criminal investigation that has concluded in a final result other than conviction or deferred

adjudication. Therefore, the city has not met its burden under section 552.108(a)(2) or section 552.108(b)(2). Accordingly, the city may not withhold any of the remaining information under subsection 552.108(a)(2) or subsection 552.108(b)(2) of the Government Code.

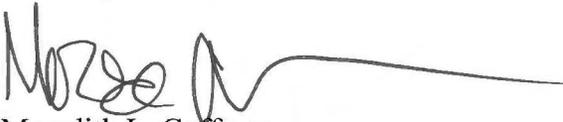

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have indicated under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the motor vehicle record information we have indicated under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
