Ms. ML Calcote

Texas Department of Public Safety  
P.O. Box 4087

OR2016-18155

Dear Ms. Calcote:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 628737 (DPS PIR# 16-4360).

The Texas Department of Public Safety (the "department") received a request for information pertaining to an incident. You state you will release some information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that "[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. The requestor is the person who provided the specimen at the request of a peace officer. Although you claim the information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Therefore, the department must release the intoxilyzer results, which we have marked, pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

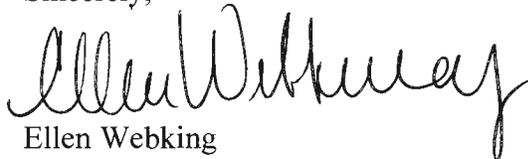

prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending investigation. Based on your representation and our review, we find the department has demonstrated release of the remaining information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, you may withhold the remaining information you have marked under section 552.108(a)(1) of the Government Code.

In summary, the department must release the marked intoxilyzer results pursuant to section 724.018 of the Transportation Code. The department may withhold the remaining information you marked under section 552.108(a)(1) of the Government Code. The remaining information must be released.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
