Mr. Stephen Gleboff
Senior Associate General Counsel
Office of General Counsel
University of North Texas System
1155 Union Circle #310907
Denton, Texas 76203

OR2016-18381

Dear Mr. Gleboff:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 628326 (PIR# 004207).

The University of North Texas System (the "university") received a request for a specified police report. You indicate the university has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially we address your claim under section 552.108(a)(1) of the Government Code, as it is potentially the most encompassing. Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

S.W.2d 706 (Tex. 1977). You state the information you have marked relates to a pending criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the university may withhold the information it has marked under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses laws that make criminal history record information (“CHRI”) confidential. CHRI generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter E-1 and subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. *See id.* § 411.082(2)(B) (term CHRI does not include driving record information). Accordingly, the university must withhold the CHRI you marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

You state you will redact information under section 552.130(c) of the Government Code. Section 552.130 provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130(a). We note the requestor has a right of access to his client’s motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) (“person or a person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Accordingly, the city

may not withhold the requestor's client's motor vehicle record information, which you marked, under section 552.130 of the Government Code

In summary, the university may withhold the information it has marked under section 552.108(a)(1) of the Government Code. The university must withhold the CHRI the university marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The remaining information must be released.²

²We note the information being released contains confidential information to which the requestor has a right of access. See Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual or authorized representative asks governmental body to provide information concerning that individual). Thus, if the university receives another request for this particular information from a different requestor, then the university should again seek a decision from this office.
