Dear Mr. Brock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626294.

The Legislative Budget Board (the "board") received a request for information related to a specified survey of agencies providing early childhood intervention services. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.116 of the Government Code provides the following:

If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the

bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

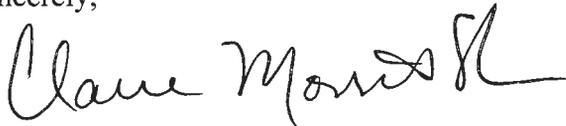

- (A) intra-agency and interagency communications; and
- (B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of audit working papers prepared and maintained by the board as part of its efficiency reviews. You inform us the audit is authorized under section 322.017 of the Government Code. *See id.* § 322.017 (authorizing the board to periodically review and analyze the effectiveness and efficiency of the policies, management, fiscal affairs and operations of state agencies). Based on your representations and our review, we agree section 552.116 is applicable in this instance. Therefore, the board may withhold the submitted information under section 552.116 of the Government Code.
