Dear Ms. Anderson-Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623293 (DART ORR W000798-060216).

Dallas Area Rapid Transit ("DART") received a request for all pricing schedules submitted in response to a specified request for proposals. You state you released some information. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of 21st Century Janitorial Services, Inc.; Advanced Business Group; Apogee; Corpcare, Inc.; D&A Building Services, Inc.; Eko & Sons LLC; Entrust; Kemp & Sons; Miracle Cleaning Business; Oriental Building Services, Inc.; Service Masters Clean by Eagle Maintenance; and Unicare Building Maintenance, Inc.¹ Accordingly, you state, and provide documentation showing, you notified the third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why

¹Although DART raises sections 552.101–552.156 of the Government Code, it has not provided any arguments to support these exceptions. Therefore, we assume DART has withdrawn its claim these sections apply to the submitted information. *See* Gov't Code §§ 552.301, .302.

information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of the third parties has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, DART may not withhold the submitted information on the basis of any proprietary interest any of the third parties may have in the information. As no exceptions to disclosure have been raised, DART must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
