OR2016-18713

Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623025 (ORR# 7721).

The Carrollton Police Department (the "department") received a request for information pertaining to a specified accident. The department states it has released some of the requested information, but claims some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information. We have also considered comments submitted by the Dallas County District Attorney's Office (the "district attorney's office"). *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The department and the district attorney's office state the information that the department has marked under section 552.108(a)(1) relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975)

(delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the department may withhold the information it has marked under section 552.108(a)(1) of the Government Code.<sup>1</sup>

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

To conclude, the department may withhold the information it has marked under section 552.108(a)(1) of the Government Code. The department must withhold the information we have marked under section 552.130 of the Government Code. The department must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>1</sup>As our ruling is dispositive, we do not address the other arguments of the department and the district attorney's office to withhold this information.

<sup>2</sup>Because the requestor has a special right of access to some of the information being released, the department must again seek a decision from this office if it receives another request for the same information from another requestor.
