

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 25, 2016

Mr. Josh Marcum
Assistant City Attorney
Office of the City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2016-19281

Dear Mr. Marcum:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623947 (Fort Worth PIR NO. W052489).

The Fort Worth Police Department (the "department") received a request for information pertaining to a specified accident. You state you have released some information. You state you will withhold some of the requested information pursuant to our ruling in Open Records Letter No. 2016-09213 (2016). *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure). You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information includes CR-3 accident reports. In this instance, the requestor is not a person listed under section 550.065(c) of the Transportation Code. Thus, the submitted accident reports are confidential under section 550.065(b) of the Transportation Code, and must be withheld under section 552.101 of the Government Code. However, section 550.065(c-1) of the Transportation Code requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident reports. Although you assert section 552.108 of the Government Code to withhold the information at issue, we note a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the department may not withhold the information at issue under section 552.108. Accordingly, the department must release the redacted accident reports pursuant to section 550.065(c-1).

Next, we note a portion of the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). The remaining information contains a court-filed document that is subject to section 552.022(a)(17) of the Government Code and must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to subsection 552.022(a)(17) under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception and does not make information

confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the marked court-filed document may not be withheld under section 552.108. However, as section 552.130 of the Government Code makes information confidential under the Act, we will consider the applicability of section 552.130 to the information subject to section 552.022(a)(17). We will also consider your argument under section 552.108 for the information not subject to section 552.022(a)(17).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). You state, and provide documentation demonstrating, the remaining information at issue relates to a pending criminal prosecution. Based upon this representation, we conclude the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559, 560-61 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information at issue.

However, section 552.108(a)(1) of the Government Code does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-87; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the basic information, the department may withhold the remaining information not subject to section 552.022(a)(17) of the Government Code under section 552.108(a)(1).

We note a portion of the information subject to section 552.022(a)(17) of the Government Code is subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130.

In summary, the submitted accident reports are confidential under section 550.065(b) of the Transportation Code, but the department must release the redacted accident reports pursuant to section 550.065(c-1) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information not subject

to section 552.022(a)(17) of the Government Code from disclosure under section 552.108(a)(1) of the Government Code. The department must release the information subject to section 552.022(a)(17) of the Government Code. In releasing the information subject to section 552.022(a)(17) of the Government Code, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
