OR2016-19384

Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624174.

The City of Frisco (the "city"), which you represent, received a request for contracts and documents from a specified time period relating to contractors and subcontractors pertaining to a specified construction project.<sup>1</sup> You state the city has released some information. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. You also state release of this information may implicate the proprietary interests of Kennedy Consulting, Inc. ("Kennedy Consulting"). Accordingly, you state, and provide documentation showing, you notified Kennedy Consulting of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act

---

<sup>1</sup>You state the city sought and received a clarification of the information requested. *See* Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* Open Records Decision No. 31 (1974) (when presented with broad requests for information rather than for specific records, governmental body may advise requestor of types of information available so that request may be properly narrowed).

in certain circumstances). We have considered your argument and reviewed the submitted information.

You contend the submitted information is excepted from disclosure under section 552.110 of the Government Code. Section 552.110 protects (1) trade secrets and (2) commercial or financial information the disclosure of which would cause substantial competitive harm to the person from whom the information was obtained. *See* Gov't Code § 552.110(a)-(b). We note section 552.110 protects the interests of private parties that provide information to governmental bodies, not the interests of governmental bodies themselves. *See generally* Open Records Decision No. 592 (1991). Accordingly, we do not consider the city's arguments against disclosure under section 552.110.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Kennedy Consulting explaining why the submitted information should not be released. Therefore, we have no basis to conclude Kennedy Consulting has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Kennedy Consulting may have in the information.

We note the submitted information contains insurance policy numbers. Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."<sup>2</sup> Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Accordingly, we find the city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code.

Further, we note that some of the submitted information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1978). A governmental body must allow inspection of copyrighted materials unless an exception

---

<sup>2</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

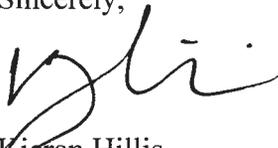

applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code. The remaining information must be released to the requestor, but any copyrighted information may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
