ATTORNEY GENERAL OF TEXAS

August 29, 2016

Mr. Adam Anderson  
Assistant County Attorney  
County of Montgomery  
501 North Thompson, Suite 300  
Conroe, Texas 77301

OR2016-19527

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624676 (ORR File 16PIA335).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for personnel records pertaining to a named officer employed by the sheriff's office. The sheriff's office claims some of the information is not public information subject to the Act. Additionally, the sheriff's office claims the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.115 and 552.130 of the Government Code.<sup>1</sup> We have considered the sheriff's office's arguments and reviewed the submitted information.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number.<sup>2</sup> Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

<sup>1</sup>Although the sheriff's office raises section 552.1175 of the Government Code, the sheriff's office makes no arguments to support this exception. Therefore, we assume the sheriff's office has withdrawn its claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup>The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. *See* Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note section 552.108 is generally not applicable to internal personnel records that are purely administrative in nature and that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, the sheriff's office states the remaining information relates to a pending criminal prosecution. Furthermore, the sheriff's office has provided documentation showing the officer whose personnel records are at issue was involved in the incident that forms the basis of the pending prosecution. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in

active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>3</sup>

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.
