

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 30, 2016

Mr. Steven M. Levesque
Assistant City Attorney
City of Abilene
P.O. Box 60
Abilene, Texas 79604-0060

OR2016-19634

Dear Mr. Levesque:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 630210.

The Abilene Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that "[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. The requestor represents the person who provided the specimen at the request of a peace officer. Although you claim the information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Therefore, the department must release the intoxilyzer results, which we have marked, pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must explain how and why section 552.108 is applicable to the information at issue.

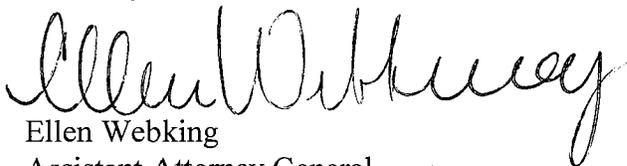

See id. § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending investigation and prosecution. Based on your representation and our review, we find the department has demonstrated release of the remaining information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note, and you acknowledge, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception the marked intoxilyzer results and the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Ellen Webking
Assistant Attorney General
Open Records Division

¹We note the information being released contains confidential information to which the requestor has a right of access. *See* Gov’t Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual or authorized representative asks governmental body to provide information concerning that individual). Thus, if the department receives another request for this particular information from a different requestor, then the department should again seek a decision from this office.
