ATTORNEY GENERAL OF TEXAS

August 30, 2016

Ms. Katie Leininger
Assistant City Attorney
City of Pearland
3519 Liberty Drive
Pearland, Texas 77581

OR2016-19654

Dear Ms. Leininger:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 625064.

The City of Pearland (the "city") received a request for specified sewer and water bills. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 182.052 of the Utilities Code provides in relevant part the following:

(a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). "Personal information" under section 182.052(a) means an individual's address, telephone number, or social security number, but does not include the individual's name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). We note because section 182.052 is intended to protect the safety and privacy of individual customers, this statute is applicable only to information pertaining to natural persons, and does not protect information relating to business, governmental, and other artificial entities. *See* ORD 625 at 4-5 (in context of section 182.051(4) of the Utility Code, "individual" means only natural persons and does not include artificial entities). Water is included in the scope of utility services covered by section 182.052. Util. Code § 182.051 (3).

You argue the submitted information is confidential under section 182.052 of the Utilities Code. Upon review, we find the information at issue consists of the address and billing information of a business entity. Accordingly, the submitted information is not subject to section 182.052 of the Utilities Code, and it may not be withheld under section 552.101 of the Government Code on that basis. Thus, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
