Ms. Jessica Vu
Assistant General Counsel
Office of the Governor
P.O. Box 12428

OR2016-21852

Dear Ms. Vu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 629174 (OOG No. 16-197).

The Office of the Governor (the "governor's office") received a request for specified forms submitted by Aspyr Media ("Aspyr") regarding three specified production titles.¹ You state

¹You state, and provide documentation showing, the governor's office sought and received clarification of the request for information. *See* Gov't Code § 552.222(b) (stating governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed). We also note you sent the requestor an estimate of charges pursuant to section 552.2615 of the Government Code. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You inform us the governor's office received payment of the deposit on July 21, 2016. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

the governor's office is withholding motor vehicle record information pursuant to section 552.130(c) of the Government Code and social security numbers pursuant to section 552.147(b) of the Government Code.² Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Aspyr. Accordingly, you state you notified Aspyr of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received any comments from Aspyr explaining why any of the submitted information should not be released. Therefore, we have no basis to conclude Aspyr has protected proprietary interests in the information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Consequently, the governor's office may not withhold any of the submitted information on the basis of any proprietary interests Aspyr may have in the information. As no exceptions have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
