

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

September 30, 2016

Mr. Josh Marcum  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, Third Floor  
Fort Worth, Texas 76102

OR2016-22100

Dear Mr. Marcum:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634171 (PIR No. W054708).

The City of Fort Worth (the "city") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 773.091 of the Health and Safety Code, which provides in part:

- (a) A communication between certified emergency medical services ["EMS"] personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

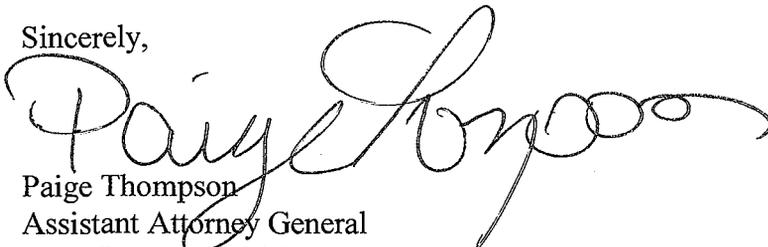

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(a)-(b), (g). The submitted information includes records made and maintained by EMS personnel. Upon review, we find section 773.091 is applicable to the information at issue, which we have marked. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold the marked EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. However, we find the remaining information does not consist of communications between certified emergency medical services personnel providing medical supervision and patients that were made in the course of providing emergency medical services to the patients. *See id.* § 773.091(a). Furthermore, the information at issue does not consist of records of the identity, evaluation, or treatment of patients by emergency medical services personnel providing medical supervision that were created by the emergency medical services personnel or maintained by an emergency medical services provider. *See id.* § 773.091(b). Accordingly, we find section 773.091 does not apply to any portion of the remaining information, and the city may not withhold the remaining information under section 552.101 of the Government Code on that basis. As the city raises no other exceptions to disclosure, it must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
